Terracotta Warriors | Muslim Street | Great Mosque of Xi'an

Day 1 Arrival in Xi'an

No meals

Upon arrival in Xi'an, transfer to the hotel and check in. Overnight in Xi'an.

Day 2 Xi'an

B/L/D

After breakfast at the hotel, you will be taken to the Giant Wild Goose Pagoda square. This UNESCO World Heritage Site was built in 652 during the Tang dynasty and originally had five stories. After the structure collapsed 50 years later, the ruling Empress Wu Zetian had the pagoda rebuilt and added five more stories to it by the year 704. However, it was struck by a massive earthquake in 1556 that damaged it heavily and reduced the height by three stories to its current height of seven stories. Then, visit the nearby North Square, boasting the largest musical fountain in Asia. Continue to the Northwest Commerce & Trade Center, a wholesale market where you can shop. Lunch and dinner will be served at local restaurants. Overnight in Xi'an.

Day 3 Xi'an

B/L/D

After breakfast at the hotel, visit Xi'an City Wall. This is the most complete city wall that has survived in China and one of the largest ancient military defense systems in the world. Continue to the Terracotta Army Museum, another UNESCO World Heritage Site. This archaeological excavation area was discovered by local farmers who were digging for a well. The highlights of the museum are the three pits where the warriors are on display, and the Exhibition of Bronze Chariots. Altogether over 7,000 pottery soldiers, horses, chariots, and even weapons have been unearthed from these pits. In the evening, visit Dong Xin Street Mosque. Lunch and dinner will be served at local restaurants. Overnight in Xi'an.

Day 4 Xi'an – Departure

B/L/D

After breakfast at the hotel, visit Xi'an Museum that houses over 130,000 relics of ancient China. The architectural design of the museum follows the traditional Chinese concept of the universe - a round heaven and a square earth. Continue to the Small Wild Goose Pagoda. The pagoda was damaged in the 1487 earthquake, causing it to split in the middle with a 1.1 feet gap. However, when another earthquake hit in 1521, the two halves were combined again. Your next stop is the Great Mosque of Xi'an, the largest mosque in China. Visit a local Muslim family in the Muslim quarter and you have some free time to shop at the Muslim Street. After dinner, transfer to the airport for your departure to Kuala Lumpur.
