The highlight of any visit to Tangalooma is the opportunity to hand feed one of the wild bottlenose dolphins that visit the shores each evening at sunset.

Moreton Bay is home to approximately 600 bottlenose dolphins and each evening as the sun begins to set across the water, a small pod makes their way to the shores of Tangalooma Island Resort. Currently up to 13 dolphins frequent the shores of Tangalooma each evening, hunting, surfing and playing with fellow pod members, each with their own distinctive and unique personalities. A dedicated Dolphin Care Team records the dolphins' behaviour each evening, monitoring growth, behaviour and interactions.
