## 🇳 Wildlife & Nature

Wander a few steps from Launceston and you're in the natural wonderland that is Cataract Gorge, where rivers carve a landscape of rolling green fields and ferns.

## 1 Welcome to Launceston

Tasmaria's second-largest city, Launceston sits pretty on the banks of the Tamar River. Arrive early? Distractions are endles. We suggest jumping on a boat to cruise the waterway, gliding through the Tamar Valley or up into Catracta Gorge. This rare natural phenomenon unites bushland with neat Victorian gardens, replete with ferns and exotic plants. Get a different perspective of the green cavern on the scenic charilit, zipping you over the water to a lofty lookout. Consider yourself a bit of a gourmand? Some of Tassiés top wineries are within easy reach. Sip your way around the Josef Chromy estate. Swinging Gate or Jansz before meeting the adventurous souls that will keep you company over the next week. Meet your Travel Director for a drink before embarking on your journey along Tasmaria's glorious east. Hote! Hotel Grand Chancellor Launceston.

## 2 Launceston - Bicheno

Arriving at Bridestowe Lavender Estate, you could be forgiven for thinking you've been transported straight to Provence. This bucolic patch of purple is a feast for all the senses(id) you know lavender is a great sleep ald'). Then taste the wares, whether in lavender ice-cream or honey made from the 500,000 very happy bees that live here. Moving moments await at Legerwood Carved Memorial Trees, an avenue of sculpted trees, carved in homage of fallen WW soldiers. It's a poignant reminder of just how privileged we are to have Tasmania's scene-stealing landscapes to gaze over today. Head out tonight to catch a glimpse of the little penguins that call Bicheno home. Hotel: Diamond Island Beach Resort. B DW

#### 3 Freycinet National Park & Wineglass Bay

Embarking on your Freycinet adventure, you may think someone has taken the glasses off your nose and cleaned them for the first time. The towering Hazards Range that backdrops your base gleams pink in the morning sunshine. Fun fact, the prized granite here was used to build the foyer of New York's Empire State Building. The brilliant blue ocean curves into coves dusted with golden sand. And dusty greens patchwork Cape Tourville's virgin eucalypt forest, stretching as far as the eye can see. Amid it all is Wineglass Bay, a gem-like crescent with gin-clear water. Rest up -you're taking this in over a lunchtime cruise.

## 4 Triabunna - Hobart

This morning, the GPS is set for the historic township of Richmond; explore the convict-built goal and bridge or browse the quaint boutique shops in town. Next, join us for a MAKE TRAVEL MATTER® Experience at Risdon Cove. Kipli Takara (meaning food walk) is an immersive experience where guests are invited to walk the culturally rich landscape with palawa (Tasmanian Aboriginal) guides across this abundant natural pantry that was returned to Tasmanian Aboriginal ownership in 1995. You will be treated to a guided walk of this unique property, hearing about the history and current story of the area. Along the way guests are able to taste the native bush tucker currently in season and get a first-hand gimpse into how palawa continue to enjoy cultural foods and undertake culturally-centred land management across lutruwita/Tasmania. This experience includes a unique tasting of local, native flavours. This evening is at your leisure in Hobart. Hotel: Hotel Grand Chancellor Hobart. B L
