Enjoy a walk where you see a cluster of medieval houses, with Muhleplatz, Weinmarkt, Hirschenplatz, and Kornmarkt. Also stop at the Lion Monument, a sculpture designed in the early 19th century, the most sentimental of Swiss monuments, commemorates the Swiss mercenaries who, serving the French King Louis XVI lost their lives during the French Revolution at the Tuileries Palace in Paris.</p> <p>Have some free time in the afternoon to explore on your own.</p>
