Cairo | Aswan | Nile River Cruise | Luxor

Optional: Abu Simbel Excursion

On day 4, you may opt for an excursion to the Abu Simbel temples. The twin temples were originally carved out of the mountainside during the reign of Pharaoh Ramesses II in the 13th century BC, as a lasting monument to himself and his queen Nefertari, to commemorate his victory at the Battle of Kadesh. The complex was relocated in its entirety in 1968, on an artificial hill made from a domed structure, high above the Aswan High Dam reservoir, where you will spend 2 hours exploring the temple complex.

In particular, the Temple's inscribed building texts provide details of its construction, and also preserve information about the mythical interpretation of this and all other temples as the Island of Creation.
