Optional: Abu Simbel Excursion

On Day 4, you may opt to join an excursion to the magnificent Abu Simbel Temples. These twin temples were originally carved into the mountainside during the reign of Pharaoh Ramesses II in the 13th century BC, serving as a lasting monument to himself and his queen, Nefertari, and commemorating his victory at the Battle of Kadesh. In 1968, the entire complex was carefully relocated to an artificial hill above the reservoir of the Aswan High Dam to protect it from rising waters. You will have approximately two hours to explore this remarkable temple complex.

Day 5 Nile River Cruise

Breakfast / Lunch / Dinner

Breakfast will be served on board before visiting the impressive Temple of Edfu, dedicated to Horus, the falcon god. It is one of the best-preserved temples in Egypt. The detailed inscriptions on its walls provide valuable insights into the language, mythology, and religious practices of the Greco-Roman period. Notably, the temple's building texts describe its construction and preserve the mythical interpretation of the temple as the Island of Creation.
