Day 5 Taipei – New Taipei – Taipei

Breakfast / Lunch / Dinner

After breakfast at the hotel, you will be taken to the jade handcraft shop. Next, you will be taken to Yehliu Geopark, a geo park shape by nature in the wind over millions of years. The nature shape sandstone structure has some very interesting resemblance in the like of the Queen's head, mushroom, ice cream, etc. Afterwards, visit the Shifen Waterfall. Torrents of water thunder down this curtain-type fall like a white satin sheet. As the water plunges into the large, deep pool beneath, it raises mists that often enshroud the falls. On sunny days, the mists paint dazzling rainbows in the blue skies: a sight that has earned the waterfall pool the nickname of "Rainbow Pond". Because its bedrock slopes in the opposite direction of the water flow, Shifen Waterfall is a cascade-type waterfall similar to North America's Niagara Falls, earning it the nickname of "Taiwan's Niagara Falls". You will also be taken to visit the Shifen Old Street. It is a bustling hub for those eager to get a glimpse of an old railroad town which still retains the charm of yesteryear. Originally built to transport coal, the Shifen Old Street stop has now become one of the most popular on the Pingxi rail-line. One of the popular activities is releasing the sky lantern; you will be able to write your wishes on the lantern before igniting and releasing it to the sky. In the evening, return back to hotel.
