Day 2 Lima/Tambopata

Fly to Puerto Maldonado and continue by motorized canoe to our comfortable lodge, situated near the Tambopata National Reserve in the Amazon rainforest. Spot local bird species along the lush shores of the Tambopata River en route to the lodge, and set off on an evening walk with a naturalist guide before dinner, keeping an eye out for some of the rainforest's nocturnal creatures.

Take the opportunity to learn about the area's rich flora and fauna and locals' extensive use of medicinal plants and other forest plant resources through traditional techniques for building, fishing, and hunting.

Enjoy a welcome drink and orientation. Before dinner, head out for a night walk around the lodge grounds.

Day 5 Cusco/Urubamba

Drive to the scenic Sacred Valley for a full day of exploration with a local guide. Tour the G Adventures-supported Parque de la Papa, or Potato Park, a rural Andean community working to preserve hundreds of varieties of native potato. During this exclusive experience, you'll walk through the park to learn about potato cultivation, traditional weaving, and the importance of both these practices to Andean culture. We'll also visit the fascinating Inca ruins of Ollantaytambo and Pisac, and enjoy a meal at the G Adventures-supported Parwa Community Restaurant in Huchuy Qosqo.

Private Vehicle

Cusco – Ollantaytambo 1h45m 94km

Times includes all stops and visits enroute through the Sacred Valley.

Your Journeys Highlight Moment: Traditional Andean Experience

In Peru's Sacred Valley of the Inca, six communities of approximately 6000 indigenous people are working together to preserve over 700 species of potato – a cornerstone of life here. As part of an experience exclusive to National Geographic Journeys travellers – and part of our G Adventures for Good program – visit this area, named "Parque de la Papa" ("Potato Park"), to learn about life in an Andean agricultural community. Walk through the park here with a local guide, dropping by the seed bank (which has direct ties to the Svalbard Global Seed Vault in Norway) and then head out to the fields to watch the planting or harvesting process, depending on the season. After, enjoy some of the delicious varieties of potato and visit the small stone hut where traditional weaving takes place. Learn about the natural dyeing process and witness alpaca wool strands being transformed into beautiful textiles through a centuries-old backstrap weaving style. Your visit to this special community means this local enterprise can continue earning an income that supports their development and conservation goals.

Your G for Good Moment: Parque de la Papa (Potato Park)

Parque de la Papa (meaning "Potato Park") serves two important purposes for the community of Pampallacta: the preservation of agricultural biodiversity and economic opportunity. National Geographic Journeys travellers visit the park to learn about life in a rural agricultural Andean community and take a tour of the seed conservation program, which is preserving heritage potato species. They also learn about traditional planting, harvesting and indigenous weaving practices. With G Adventures' support, the community is able to create jobs in the area and invest in local businesses, which helps the community preserve their culture.

Your G for Good Moment: Parwa Community Restaurant the Sacred Valley

Contribute to sustainable tourism in Huchuy Qosqo, a small village of 65 families in the Sacred Valley, by eating at the Parwa Community Restaurant. Learn how the resident-run restaurant was kickstarted by G Adventures and the Multilateral Investment Fund, to become a successful farm-to-table program that boosts the local economy and several spin-off microenterprises.

Pisac Ruins Guided Tour

Pisac

Tour the fascinating hilltop citadel of Pisac, an Incan ruin with plunging gorges, a ceremonial centre, and winding agriculture terracing that's still in use today. Be captivated by this truly amazing site sitting amid

sweeping green valleys and mountain peaks. Explore the back of the site to see a pocketed cliff across Kitamayo Gorge, which once contained hundreds of Inca tombs.

Ollantaytambo Ruins Guided Tour

Ollantaytambo

Tour the town and fortress of Ollantaytambo with a local guide. Take a step back in time at this Inca archaeological site; it still shows signs of its former glory, including agricultural terraces, a Temple Hill, and storehouses. Learn how the area, overlooking the Urubamba River Valley, was an important stronghold during warfare between the Spanish and Incas.

Your G for Good Moment: Handmade Biodegradable Soap Products

Enjoy G Adventures-supported handmade biodegradable soap products, for use on our treks. This G Adventures for Good project empowered local Cusqueña women to start their own business in order to reduce the environmental impact of treks in the region. Planeterra provided \$10,000 of seed funding for two young entrepreneurs to register their biodegradable products in order to sell them to the tourism industry. "Esencia Andina" is now a successful business that produces biodegradable soaps, detergents, and natural products for travellers, guides, porters, and cooks on our treks.

Important Notes

1. INCA TRAIL/MACHU PICCHU REGULATIONS

The rules and regulations controlling the Inca Trail and Machu Picchu are continually changing. Before embarking on your adventure to Peru it is very important that you familiarize yourself with the Inca Trail booking policies and guidelines as described in a document available on our website, at the following URL address:

<http://www.gadventures.com//terms-conditions/inca-trail-booking-policies/>

2. INCA TRAIL MAINTENANCE

Portions of the Inca Trail will be closed for general maintenance during the month of February each year. Also, closures may occur at various times throughout the year due to inclement weather or other conditions beyond our control. During these periods, any tour affected will hike the Lares Trek.

3. COMBO TRIP

Please note that this trip is a combination of multiple G Adventures tours. As such, the staff and/or particular vehicles operating your tour may change between tour segments. You may also expect some group members to join or leave the tour, between tour segments.

4. MACHU PICCHU BY TRAIN - OPTIONAL

Please advise at time of booking if you do not wish to hike the Inca Trail. Instead, you will have 2 nights in Cusco, travel by train for a night in Aguas Calientes, and join the hikers for the tour of Machu Picchu. Also note that if you choose to take the train, the physical rating for this trip is only level 3.

5. EXTRAS

Looking to add to your experience? Check out our Extras! Specially designed for travellers with unique interests, Extras are optional add-ons to your G adventures trip that make your adventure more you-centric. Extras must be booked prior to departure, please see details in our optional activities field and ask you sales GCO.

6. In our continued effort to support the rights of the porters on the Inca Trail, we would like ensure that they never exceed the weight limit for their packs as set out by the Peruvian authorities. Porters are allowed to carry no more than 6kg of personal belongings per hiker (for all other Peru treks the limit is 8kg). That means that including your sleeping bag, toiletries, clothing, etc, you are allowed a total weight of 6kg for the hike which will be carried in a duffle bag provided by our local office. Any additional weight must then be carried by you in your day pack. To help achieve this goal we recommend that you carry travel sized toiletries, that you bring sport sandals that can be worn with socks (which are lighter than running/walking shoes) and that you limit electronics to those that you are willing to carry. Any additional baggage can be left in Cusco, but is advised that you bring anything of value (eg. money, passport, credit cards, camera, etc) with you on the trek.

If at the end of your trek you felt your trekking guide and support team did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, please see the Tipping section for guidelines.

7. All travellers are required to pay the tax on domestic flights in Peru. Foreign travellers are exempt from this, and proving you are indeed a foreign traveller can be done by providing us with your international ticket number (ITN). Travellers who do not submit international ticket numbers at least 30 days prior to Day 1 of their tour will be required to pay the domestic tax on all included flights.

8. WET SEASON

Please be advised during the wet season (Jan - April) if there are periods of severe rain some of the campsites on the Inca Trail may become unusable. In the interest of your safety, there may be changes made locally to the trekking itinerary if the conditions of the campsites are assessed to be unsafe.

9. GROUP DYNAMICS

Please note, in most cases, the entire group will not be hiking the Inca Trail together. Members of the group may choose to hike the Lares Trek or spend additional time in Cusco and the Sacred Valley instead of hiking. If you have chosen the Lares Trek or Cusco Stay you may be paired with members of other G Adventures groups for the trek, transportation, and activities included.

Group Leader Description

All G Adventures group trips are accompanied by one of our group leaders, a G Adventures representative, or an expedition team. The aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places you are travelling through, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. While not being guides in the traditional sense you can expect them to have a broad general knowledge of the countries visited on the trip, including historical, cultural, religious and social aspects. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting- we think it's the best of both worlds.

Group Size Notes

Max 16, Avg 10.

Meals Included

13 breakfasts, 7 lunches, 5 dinners

Meals

Eating is a big part of traveling. Travelling with G Adventures you experience the vast array of wonderful food that is available out in the world. Generally meals are not included in the trip price when there is a choice of eating options, to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility, though generally food is cheap. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though. Your CEO will be able to suggest favourite restaurants during your trip. On truck trips in Africa, aboard the expedition ship Explorer or our Galapagos yachts, while trekking in remote regions etc. food is included, plentiful and made of fresh local ingredients. The above information applies to G Adventures group trips. For Independent trips please check the itinerary for details of meals

included. For all trips please refer to the meals included and budget information for included meals and meal budgets.

Please note: Should you choose to take the train to Machu Picchu, on days 6 to 9, breakfast is the only meal included.

Transport

Private van, plane, train, boat, canoe, hiking, walking.

Local Flights

All local flights are included in the cost of your tour unless otherwise noted. It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

Solo Travellers

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Accommodation

Hotels (8 nts), G Lodge Amazon (2 nts), Inca Trail camping or Cusco-stay hotel (3 nts).

Rooming and "My Own Room" Exceptions

Please note that if you have booked the "My Own Room" option for this tour, you will receive your own single accommodation for all night stops, with the following exceptions: Nights 2-3: Amazon Jungle, Nights 6-8: Inca Trail

If you have chosen the Lares Trek/Cusco Stay you will have a single room/tent for nights 6-8.

(Please note that we are currently able to accommodate "My Own Tent" requests on the Inca Trail due to the limited number of travellers as well as to additional health and safety protocols, however this may change at any time. We will endeavour to continue providing this option for people however cannot always guarantee it.)

About Accommodation

Should you choose to not hike and take the train to Machu Picchu, you will spend 2 nights in a Comfort hotel in Cusco and 1 night in a comfort hotel in Aguas Calientes.

Please note that hot water shortages and power outages can be fairly common in Peru (even in upgraded hotels). We appreciate your patience and understanding that these occurrences are outside of our control.

What to Take

Most people automatically assume that the weather is hot in South America, but because of the higher altitude in the Andes, the temperature can feel quite cold, especially at night. We recommend the use of a duffel bag or backpack, whichever is easiest for you to carry. A good size daypack is also essential.

Laundry

Laundry facilities are offered by some of our hotels for a charge. There will be times when you may want to or have to do your own laundry so we suggest you bring non-polluting/biodegradable soap.

Visas and Entry Requirements

All countries require a valid passport (with a minimum 6 months validity). Contact your local embassy, or consulate for the most up-to-date visa requirements, or see your travel agent.

Spending Money

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

Money Exchange

The currency in Peru is the Nuevo Sol (PEN).

Credit cards and debit cards are very useful for cash advances. Visa cards are the most widely accepted cards. While ATMs are widely available, there are no guarantees that your credit or debit cards will actually work in Latin America. Check with your bank.

You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies.

Do not rely on credit or debit cards as your only source of money, a combination of US dollar cash and cards is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

We do not recommend bringing travellers cheques as they are very difficult to change in country.

CURRENCY EXCHANGE TIP: Please be advised that slightly torn notes, notes that have been heavily marked or are faded may be difficult to exchange. It is best to bring notes in fairly good condition, in denominations lower than 100USD (or equivalent).

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: www.xe.com

Emergency Fund

Please also make sure you have access to at least an additional USD \$200 (or equivalent) as an 'emergency' fund, to be used when circumstances outside our control (ex. a natural disaster) require a change to our planned route. This is a rare occurrence!

Tipping

It is customary in Latin America to tip service providers such as waiters, at approximately 10%, depending on the service. Tipping is an expected - though not compulsory - component of your tour program and an expression of satisfaction with the persons who have assisted you on your tour. Although it may not be customary to you, it is of considerable significance to the people who will take care of you during your travels. There are several times during the trip where there is opportunity to tip the local guides or drivers we use. Recommendations for tipping drivers and local guides would range from \$5-10 USD per day depending on the quality and length of the service; ask your CEO for specific recommendations based on the circumstances and culture.

If at the end of your trek you felt your trekking guide and support team did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline, we suggest each hiker contributes the following to a collective pool.

Inca Trail:

Head guide: 10-25 USD

Assistant guide: 5-12 USD

Your trekking crew: 40 USD

Lares Trek:

Head guide: 10-25 USD

Assistant guide: 4-10 USD

Your trekking crew: 35 USD

Also at the end of each trip if you felt your G Adventures CEO did an outstanding job, tipping is appreciated. The amount is entirely a personal preference, however as a guideline \$20-25 USD per person, per week can be used.

Health

Please note inoculations may be required for the country visited. It is your responsibility to consult with your travel doctor for up to date medical travel information well before departure.

You should consult your doctor for up-to-date medical travel information well before departure. We recommend that you carry a First Aid kit and hand sanitizers / antibacterial wipes as well as any personal medical requirements. Please be aware that quite often we are in remote areas and away from medical facilities, and for legal reasons our leaders are prohibited from administering any type of drug including headache tablets, antibiotics, etc. When selecting your trip please carefully read the brochure and itinerary and assess your ability to cope with our style of travel. Please refer to the Physical and Culture Shock ratings for trip specific information. G Adventures reserves the right to exclude any traveller from all or part of a trip without refund if in the reasonable opinion of our CEO they are unable to complete the itinerary without undue risk to themselves and/or the rest of the group.

Please note your Adventure travels to high altitude. This is medically defined as anything over 8,000 feet (2,440 meters). Most people can travel to 8,000 feet with minimal effects. However, everyone reacts to altitude differently and altitude sickness can on set with some people irrespective of fitness and age. For details on how to best prepare and what to do in the unlikely event you are effected on your Adventure, please consult your physician.

Safety and Security

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

www.gadventures.com/travel-resources/safety/

A Couple of Rules

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

Travel Insurance

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
