### **Day 10 Johannesburg/Victoria Falls**

Catch a flight to the town of Victoria Falls in Zimbabwe, named after one of the most powerful waterfalls on Earth. Visit a nearby village and go grocery shopping in the bustling market. Then sit down with a local family for dinner, helping your hosts prepare a traditional Zimbabwean meal using the ingredients you picked out, and hear stories about local life and culture.

The mist off Victoria Falls can rise to a height of more than 400m (1312 ft). Local tribes used to call the falls Mosi-o-Tunya or "the smoke that thunders." Explorer and missionary David Livingstone renamed the falls after Queen Victoria when he first saw them in 1855.

**Plane**

Oliver Reginald Tambo International - Victoria Falls 2h

Look! Up in the sky! It's a bird! It's a plane! It's... yup, it is a plane, actually.

**Your Journeys Highlight Moment: Zimbabwean Family Dinner**

Flatter Ncube is the head of her family which includes two sisters and numerous children. She's the youngest of a family of 10 and, now in her early 40s, lives in the village she was raised in near Victoria

Falls. There she takes care of her extended family on their homestead, which she and they have been proudly building by hand, brick by brick, for years. Flatter's story highlights that life isn't easy in Africa, but despite its challenges, there is much love and laughter and a strong sense of family here.

Visit Flatter's homestead in her rural village; meet her and some of her family, and walk with some of them throughout the property, among the fruit and vegetable plants the family grows for consumption. (They even plant hot chillies among the vegetables to discourage nosy elephants.) Then help the family prepare a traditional Zimbabwean dinner, which we'll all eat together outside on the property, weather permitting. Ingredients for the meal will have been hand-selected earlier in the day, at the bustling and friendly local village market.

This experience offers great insight into typical African life, and ultimately reinforce how we all really want and need the same things in life: a stable home full of love, a good education, and plenty of opportunity for our children.

## Important Notes

---

### 1. TRAVEL DAYS

This is not a physically demanding journey; however, travelling can be difficult, with long drives and poor road conditions at times. Despite this, most clients feel that the diversity of the African landscape, countries, culture and wildlife are all well worth the experience. We use a comfortable and safe air-conditioned touring vehicle for the long drives.

### 2. YELLOW FEVER

It may be required to show a Yellow Fever certificate if you are traveling to South Africa from a Yellow Fever endemic country.

### 3. COMBO TRIP

Please note that this trip is a combination of multiple G Adventures tours (Cape Town, Kruger, Livingstone). As such, the staff and/or particular vehicles operating your tour may change between tour segments. You may also expect some group members to join or leave the tour, between tour segments. Please note that there are no activities planned during your stay in Cape Town or Livingstone.

### 4. ACCOMMODATION

Please note, if you have not booked MOR (my own room) for this trip, you might be sharing a room for your stay in Cape Town, as well as for the rest of the tour. Please ask at check-in at the hotel in Cape Town if you will be sharing your room.

### 5. MONEY EXCHANGE

We strongly advise that you bring ZAR or USD from your home country or exchange money before the start of the tour, to avoid delays on tour. Please see the Money Exchange section for more details.

### 6. DRONES

## Group Leader Description

---

On this tour, you will be accompanied by a G Adventures Chief Experience Officer (CEO) on the Kruger portion of the trip. In Victoria Falls and Cape Town, you will have a local CEO.

The Chief Experience Officer (CEO) will be the group manager and leader. All of our leaders in southern Africa are registered and licensed tourism guides, meaning they've studied to have a broad knowledge base of the region's history, cultures, and wildlife, and are legally certified to lead/guide tours in the regions visited. Most of our leaders in the region are from South Africa, though it may be possible that you'll have a leader from another country in the southern African region. As the group manager and leader, the aim of the group leader is to take the hassle out of your travels and to help you have the best trip possible. They will provide information on the places where we are travelling, offer suggestions for things to do and see, recommend great local eating venues and introduce you to our local friends. He/she will take care of the small things so you can concentrate on enjoying your adventure. In addition, your Chief Experience Officer (CEO) is a skilled and experienced driver who has intimate knowledge of the vehicle and routes travelled. We also use local guides where we think more specific knowledge will add to the enjoyment of the places we are visiting.

## Group Size Notes

---

Max 12, Avg 10.

## Meals Included

---

11 breakfasts, 2 lunches, 7 dinners

## Meals

Eating is a big part of travelling. Travelling with G Adventures you experience the vast array of wonderful food that is available in South Africa. On this tour, we provide only a few meals for you and your group members, so as to give you the maximum flexibility in deciding where, what and with whom to eat. It also gives you more budgeting flexibility in your choices. Our groups tend to eat together to enable you to taste a larger variety of dishes and enjoy each other's company. There is no obligation to do this though - while in the larger centres, your CEO will be able to suggest favourite restaurants during your trip.

For the included meals, vegetarian meal requests and other dietary requirements need to be specified prior to arrival.

## Transport

For the wildlife safari drives in the Kruger area we use an open safari vehicle.

For group sizes of 10 to 16, you will have a dedicated driver and CEO.

It is important that we have your passport information at the time of booking in order to process these tickets. Internal flight tickets are issued locally and will be given to you prior to the flight departure.

## Solo Travellers

---

We believe single travellers should not have to pay more to travel so our group trips are designed for shared accommodation and do not involve a single supplement. Single travellers joining group trips are paired in twin or multi-share accommodation with someone of the same sex for the duration of the trip. Some of our Independent trips are designed differently and single travellers on these itineraries must pay the single trip price.

Our driver will be waiting for you with a National Geographic Journeys sign with your name on it, and they will be waiting for you outside the luggage hall. There most likely will be many signs, so please check carefully for your name.

Please note that day 1 is an arrival day and no activities have been planned on this day. Upon arrival to the city on day 1, please make your way to the joining hotel via your included transfer. Details on where to meet your transfer can be found in your voucher notes or on the G Adventures app.

If you have booked pre-tour accommodations through G Adventures, please note that you must contact us to confirm the included arrival transfer. Check-in time at your start hotel will be in the afternoon.

Once you arrive at the hotel, look for a note or bulletin board in the reception with a note from your CEO. This note will give the details of your Welcome Meeting on day 1. Your CEO will contact you at the hotel on Day 1 and make sure you are settled comfortably. If you arrive late, they will leave you a message detailing what time and where you should meet the next morning. Your CEO will organize a short meeting soon after arrival, during which you will meet other tour participants and receive information about general and specific aspects of the trip.

## **Arrival Complications**

---

We don't expect any problems, and nor should you, but if for any reason you are unable to commence your trip as scheduled, as soon as possible please contact your starting point hotel, requesting that you speak to or leave a message for your CEO. If you are unable to get in touch with your leader, please refer to our emergency contact details.

If you have pre-booked an airport transfer: After you have picked up your luggage and entered the arrival hall, you should see a G Adventures representative holding a G sign. If you do not see anyone, we ask that you please make your way to the information desk, which is located on the same level. If you have not made contact with our representative within 30 minutes of clearing customs and immigration, we recommend that you make your own way to the Starting Point hotel, following the Joining Instructions. Please apply to your travel agent on your return for a refund of the transfer cost if this occurs.

## What to Take

---

You will be on the move a lot, so our advice is to pack as lightly as possible. Your baggage should be clearly labelled and restricted to one soft compact suitcase, sports bag, or backpack. A daypack is also essential for carrying everyday items. Space is limited on transportation, so there is a limit of one main piece of luggage per person. Porters may not always be available, so be prepared to carry your own bags. It is important to pack clothes for warm days and cool evenings, as well as a warm jacket for early morning wildlife safari drives. A set of smart casual clothes is also advisable.

Please be advised that if you plan to bring a drone with you, the use of drones in national parks in Southern Africa is prohibited.

All countries require travellers to have a valid passport (with a minimum 6 months validity), and you are required to acquire the entry visas for each of the countries visited.

If you show up at a border and should you not have the required visa you will be denied entry to the country and be send back to the closest embassy/high commission to get the visa. All arrangements and expenses for that will be at your own cost. The CEO will assist you with travel arrangements but will not be able to accompany you. You will also have to catch up with the group at their next destination at own cost.

The information provided here is to be used as a guide only. Please consult with the relevant embassy or your travel agency before you travel. We cannot take any responsibility whatsoever for the use of this information.

Information accurate as of July 1, 2016

-----

This information is accurate at the time of writing, and please contact your local embassy or consulate for the most up-to-date visa requirements and costs, regarding these, and the other countries visited, or see your travel agent. It is your responsibility to have the correct travel documentation.

## **Spending Money**

---

Every traveller is different and therefore spending money requirements will vary. Some travellers may drink more than others while other travellers like to purchase more souvenirs than most. Please consider your own spending habits when it comes to allowing for drinks, shopping and tipping. Please also remember the following specific recommendations when planning your trip.

## **Money Exchange**

---

The currency in South Africa is the South African Rand (ZAR).

Rand can be obtained locally by changing foreign currency or by using ATMs (where available) which will disperse local currency. Your CEO will inform you where you can change money throughout the tour and approximately how much money you will need.

Zimbabwe uses the US Dollar and South African Rand.

For Zimbabwe, we strongly advise that you bring ZAR or USD from your home country or exchange money before the start of the tour, to avoid delays on tour, as it can be difficult to obtain cash at ATMs.

Please note that due to past problems with forgery, \$US notes that are older than year 2006 are not accepted in Africa.

Large note (\$US 50, \$US 100 etc) can be difficult to change in some places, but will gain you the best exchange rate.

If you plan to buy your visas at borders, you will need to bring \$USD cash to pay for these visas. Please note you cannot use the local currency or any other currency to buy these visas- they must be purchased in USD.

Please do not bring Travellers' cheques to Africa. They are difficult if not impossible to exchange in many places.

Visa/Plus system cards are the most widely accepted debit cards. it is harder to find machines Mastercard/Cirrus cards. We highly recommend that if you hold a Mastercard, you obtain a Visa card prior to departure and travel with both. This is also useful should something unforeseen happen to one of your cards during your travels.

While there are many ATMs in the major centres, there are no guarantees that your credit or debit cards will actually work in Africa. Check with your bank.

Credit cards can be used in major cities and towns ONLY but please do not rely on them as a method of payment because they are generally not widely accepted. You should be aware that to purchase products or services on a credit card a fee of 5%-10% usually applies. The majority of our optional activities can also be paid by credit card. Your CEO will advise on these.

Please note that in many areas there may be occasional power-outages, where there will be no electricity for hours at a time. In addition, ATMs outside of larger centers often run out of cash or can be out of order unexpectedly. These factors could affect your ability to access money from ATMs. As such, please do not rely on credit or debit cards as your only source of money.

A combination of foreign currency and debit/credit cards for cash advances is best. Always take more rather than less, as you don't want to spoil the trip by constantly feeling short of funds.

As currency exchange rates can fluctuate often we ask that you refer to the following website for daily exchange rates: [www.xe.com](http://www.xe.com).

## Tippling

---

Tippling is an expected, though not compulsory, component of your tour program. The gesture serves as an expression of appreciation for exceptional service, and amounts given are up to your discretion.

Tippling is one of the most direct ways that you can have a positive economic impact within the African community. Although it may not be customary for you, it is an important source of income for those in the tourism industry. Giving a tip should be seen as a formal 'thank you', and the action should in no way be awkward.

The best method of tippling someone that has served the whole group is to plan in advance, and not rush when it comes to saying goodbye. A suggestion would be for each group member to contribute anonymously by putting their tip into an envelope. This often works the best and the group should gather to present the gift to the recipient(s), offering their thanks and showing their appreciation. This method brings the action out into the open, allowing for a friendly and appreciative interaction between the group and the recipient(s).

You may use the following as a guideline, all given in a per person format:

CEO: \$7-10 USD (per day)  
Driver: \$5-8 USD (per day)

Local guides: \$2-3 USD (per day)  
Safari Guide/Driver: \$2-3 USD (per day)

Restaurant Staff: 10-15% of cost of bill

## Health

---

We recommend you contact your family physician, or your local travel clinic for the most up-to-date health information at least one month before departure. Travellers should also carry a basic first-aid kit and hand sanitizers/antibacterial wipes on their travels. Medical facilities are basic throughout these countries. For your own safety, we strongly recommend that you advise your tour leader of any medical condition that may affect you while travelling with the group. Your tour leader will be able to inform you of local health advisories (e.g. drinking water quality). Please ensure you have all the inoculations recommended by your doctor.

Yellow Fever Certificate Note: (Updated: May 2017)

It is compulsory to show a valid Yellow Fever Certificate if you are travelling to the following G Adventures-visited countries from a Yellow Fever endemic country:

- Botswana
- Ethiopia
- Kenya

- Madagascar
- Malawi
- Mozambique
- Namibia
- Rwanda
- South Africa
- Swaziland
- Uganda
- Zambia
- Zimbabwe

For some of these countries, proof of Yellow Fever vaccination is also required for passengers who have travelled more than 12 hours through the airport of an endemic country. If other countries not endemic to Yellow Fever have been visited after visiting an endemic country, then a Yellow Fever certificate may still be required on entry. Please check country-specific regulations before your departure.

#### Malaria

Malaria is a mosquito-borne disease that is present in some regions in Africa. Risk of malaria can increase during periods of heavy rain, during the rainy seasons, and in densely populated areas of Southern & East Africa. To prevent malaria, we recommend speaking to your doctor about taking preventative medication (prophylaxis), combined with regular use of insect repellent spray/cream. Please check updated travel health advisories specific to malaria before your departure.

## Safety and Security

---

Many national governments provide a regularly updated advice service on safety issues involved with international travel. We recommend that you check your government's advice for their latest travel information before departure. We strongly recommend the use of a neck wallet or money belt while travelling, for the safe keeping of your passport, air tickets, travellers' cheques, cash and other valuable items. Leave your valuable jewellery at home - you won't need it while travelling. Many of the hotels we use have safety deposit boxes, which is the most secure way of storing your valuables. A lock is recommended for securing your luggage. When travelling on a group trip, please note that your CEO has the authority to amend or cancel any part of the trip itinerary if it is deemed necessary due to safety concerns. Your CEO will accompany you on all included activities. During your trip you will have some free time to pursue your own interests, relax and take it easy or explore at your leisure. While your CEO will assist you with options available in a given location please note that any optional activities you undertake are not part of your itinerary, and we offer no representations about the safety of the activity or the standard of the operators running them. Please use your own good judgment when selecting an activity in your free time. Although the cities visited on tour are generally safe during the day, there can be risks to wandering throughout any major city at night. It is our recommendation to stay in small groups and to take taxis to and from restaurants, or during night time excursions.

Protests and Demonstrations- Protests and demonstrations, even those that are well intended, have the potential to turn violent with no warning. Counter protests can also turn violent. Action by security forces to disperse demonstrators and protesters may occur at any time. If you are in an area where demonstrators or protesters are gathering, avoid the temptation of staying for a good photo opportunity and leave the area immediately.

Water based activities have an element of danger and excitement built into them. We recommend only participating in water based activities when accompanied by a guide(s). We make every reasonable effort to ensure the fun and adventurous element of any water based activities (in countries with varying degrees of operating standards) have a balanced approach to safety. It is our policy not to allow our CEOs to make arrangements on your behalf for water based activities that are not accompanied by guide(s).

Swimming, including snorkeling, is always at your own risk.

We take all prudent measures in relation to your safety. For ways to further enhance your personal safety while traveling, please visit:

[www.gadventures.com/travel-resources/safety/](http://www.gadventures.com/travel-resources/safety/)

## Trip Specific Safety

---

GENERAL: Look after your personal items. Do not leave your valuables visible in a car or hotel room. Lock your hotel room door when you enter and when you leave. Do not carry large amount of cash on you. Avoid displaying flashy jewellery and carry your camera in its pack on your shoulder rather than around your neck. Keep your passport, airline tickets, money, important documents locked up in your room/safe - do not carry it with you. Vital Information when you are staying the KNP or any Reserve: Please ensure

that your stay is happy and safe by taking note of a few simple warnings. You will be sharing your stay with many exciting and unusual creatures but without knowledge some of them could be dangerous: Example: Bats, Spiders, Snakes, Scorpions, Malaria Zone. If you must walk around at night please DO NOT DO SO WITHOUT A TORCH. Remember: by feeding any wildlife, you are signing their death warrant as they become aggressive!

Please note that the use of drones in national parks in Southern Africa is prohibited.

## **A Couple of Rules**

---

Illegal drugs will not be tolerated on any trips. Possessing or using drugs not only contravenes the laws of the land but also puts the rest of the group at risk. Smoking marijuana and opium is a part of local culture in some parts of the world but is not acceptable for our travellers. Our philosophy of travel is one of respect towards everyone we encounter, and in particular the local people who make the world the special place it is. The exploitation of prostitutes is completely contrary to this philosophy. Our CEOs have the right to expel any member of the group if drugs are found in their possession or if they use prostitutes.

## **Travel Insurance**

---

Travel Insurance: Travel insurance is compulsory in order to participate on any of our trips. When travelling on a group trip, you will not be permitted to join the group until evidence of travel insurance has been sighted by your CEO, who will take note of your insurance details. When selecting a travel insurance policy please bear in mind that all clients must have medical coverage and that we require a minimum coverage of USD 200,000 for repatriation and emergency rescue. We strongly recommend that the policy also covers personal liability, cancellation, curtailment and loss of luggage and personal effects. If you have credit card insurance we require proof of purchase of the trip (a receipt of credit card statement) with a credit card in your name. Contact your bank for details of their participating insurer, the level of coverage and emergency contact telephone number.
